

P.L. 94-171 COUNTY BLOCK MAP (2010 CENSUS): Fremont County, WY

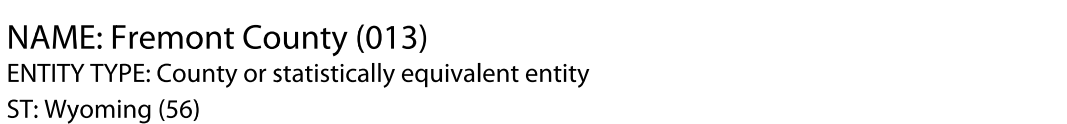

This map displays the geographical layout of Fremont County, Wyoming, with a focus on the 2010 census data. Key features include:

- County Boundaries:** The outermost boundary of Fremont County is shown in a thick black line.
- Town and City Limits:** Various towns and cities are outlined in blue, including Dubois, Wind River, and others.
- Water Features:** Rivers, creeks, and lakes are depicted in light blue. Notable water bodies include the Snake River, Wind River, and several smaller creeks like Bear, Spring, and Willow.
- Land Use and Ownership:** The map uses different colors and patterns to represent various land types:
 - Green:** Indicates areas of forest or wooded land.
 - Yellow:** Represents agricultural land or cropland.
 - Blue:** Denotes water bodies.
 - White/Unshaded:** Typically represents undeveloped or public land.
- Infrastructure:** Major roads and highways are shown as solid black lines, while smaller roads are indicated by thinner lines.
- Geographic Labels:** Numerous place names and landmarks are labeled throughout the county, such as Dubois, Wind River, and various creeks and rivers.

The map is a comprehensive resource for understanding the spatial distribution of land and population in Fremont County, Wyoming, as of the 2010 census.
